

Iridium 9555 Satellite Phone

The tough customer chosen by
even tougher customers

Anywhere is the new everywhere

Rugged and Reliable Critical Lifelines

Enhanced Features

Compact Power

Intuitive Communications

Iridium 9555 is the latest evolution in our rugged and reliable satellite phones – and it works everywhere.

Without exception.

Unparalleled Reach, Unrivaled Coverage

Iridium Satellite is the only mobile satellite service offering gap-free, pole-to-pole coverage over every square inch of the Earth's surface. Iridium's constellation of 66 low-earth orbiting, cross-linked satellites provides critical voice and data services for regions not served by other communication networks. Voice and data are routed among the satellites without touching the ground, creating a highly secure and reliable connection.
